Wonder Mountain’s Guardian

One trip through the mountain, from station to dragon and back. Each cart repeats this loop.

1

Load Cart A

Riders board in the station and lock in.

2

Launch Cart A

The cart rolls out of the station.

3

Chain lift to the top

A powered chain hauls Cart A up to the peak of the ride.

4

Enter the tunnel, video starts

Once Cart A is fully inside, the video kicks on.

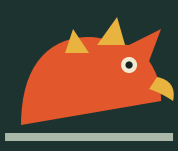

5

Video and sound play

Screens and audio play along as Cart A moves through.

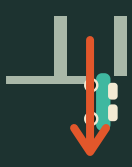

6

Stop at the dragon

Cart A halts face to face with the Guardian.

7

Vertical drop

The cart plunges straight down.

8

Leaderboard area

Cart A drives through while scores are shown.

9

Return to the station

Cart A rolls back to the platform.

10

Unload Cart A

Riders exit and the cart is ready for the next group.
